PARTNER INVESTMENT PROSPECTUS · FOX VALLEY, ILLINOIS · 2026

The Opportunity

WHY NOW

YOUTH SOCCER IS GROWING

1 in 4 children play soccer at least one season per year. Participation is stable and rising across the Midwest.

WORLD CUP MOMENTUM

The 2026 World Cup on home soil creates unprecedented visibility and youth participation interest in soccer.

US SOCCER SHAKE-UP

Historic shift from birth-year to grade-year team structure opens the market for community-aligned clubs.

SUBURBAN INVESTMENT

Fox Valley families spend **\$45M+ annually** on youth sports. A growing market seeking trustworthy, local organizations.

"Yet access, stability, and leadership development remain inconsistent."

That is the gap we were built to close.

The Market Gap

WHERE WE STAND

Community Rec

NO STRUCTURE. NO PATHWAY.

Fun and accessible, but limited development, no college pathway, no leadership focus. Lacks ambition.

Fox Valley Forge SC

Elite Platforms

HIGH COST. HEAVY TRAVEL.
